

About DriveTime

DriveTime is a company that specializes in financing and selling high quality used cars to those with less-than-perfect credit. We understand that people are not perfect, and that their credit may have been affected by a number of different things, which is why we are here to help. We feel that people should be given the chance to better their future, instead of worrying about the past, which is exactly why DriveTime handles 99% of all of our own financing!

If you are looking for a great used car from one of our Texas DriveTime locations, then you will have no problem finding one! There are several nearby Texas locations that have a great selection of used cars. You will love visiting our dealerships because at Texas DriveTime we treat everyone like family and you will feel right at home. We are committed to getting you into a car that is reliable and will fit your personal needs.

At our Texas DriveTime locations, we take all financial situations into consideration and do our best to finance you so that we can get you into a used car that will not further worsen your credit score. When your credit history is poor, it is difficult to visit banks and dealerships without feeling embarrassed, but with DriveTime you don't have to feel that way. In fact, the process to get approved is very simple. Just visit www.DriveTime.com and complete our short online application. After you submit it, all you will need to do is wait just two minutes to find out whether you have been approved.

Just a little bit more about Texas DriveTime...

If you're approved, you will need to visit one of our Texas DriveTime locations. There, one of our Go-to-Guys will help you find a vehicle that suits your needs and your financial situation. We are known for having almost guaranteed approval, so why not complete our short application and visit a Texas DriveTime location now!

We know the uneasy feeling that you get when purchasing a used car because you are unsure of the history or the actual condition of the car, but at DriveTime we take several steps to reassure our customers that the vehicles we sell are only of the highest quality. First of all, we do a rigorous 53-point inspection to every car before they even arrive at any of our dealerships. Once the car is sold, we provide a leading DriveCare® Limited Warranty with every purchase to show that we truly are confident in the used cars that we sell.

What are you waiting for? Texas DriveTime stores have everything that you could ever want from a car dealer, which is exactly why you should stop by one of our nearby locations today!
